[Dr Jac Dinnes \(/schools/haps/staff/list.aspx?Referenceld=8757&Name=dr-jac-dinnes\)](#)

Senior Researcher (Methodologist)

Public Health, Epidemiology and Biostatistics

Jac Dinnes is a Senior Researcher in the Unit of Public Health, Epidemiology and Biostatistics at the University of Birmingham UK. She is currently researching the methodology behind the evaluation of biomarkers for monitoring purposes. Her main interests lie in methodological research to identify and validate the best ways of designing and analysing studies to evaluate medical tests used ...

[Dr Lavanya Diwakar \(/schools/haps/staff/list.aspx?Referenceld=29651&Name=dr-lavanya-diwakar\)](#)

Research Fellow, Health Economics

Health Economics

Dr Diwakar is funded by the Wellcome Trust for a PhD in Health Economics. Her project is aimed at carrying out an economic evaluation of paediatric allergy services in the West Midlands. She is looking at ways to incorporate end user preferences into planning allergy services for the West Midlands and will estimate the costs and effectiveness of various possible pathways for delivery of ...
