

CWAS Society

CWAS Society (CWASSOC) is intended primarily to organise recreational and cultural activities among DASA students.

It is a good way of getting to know your fellow students in a relaxed atmosphere, and it may also provide an outlet for your creative talents! Its officers are elected by the membership.

CWASSOC is very active in organising social events, for example the biannual Afrika Jam. It also arranges excursions to places and events of interest (for example the Slavery Gallery at the Maritime Museum in Liverpool).

CWASSOC is also represented on [facebook \(https://www.facebook.com/group.php?gid=148251957418\)](https://www.facebook.com/group.php?gid=148251957418).

Black History Month

Since 2000, CWASSOC also supports the annual international 'Black History Month'. But remember, Black History is not just for one day: it's every day, past, present and future, celebrate it now!
