Dr Matt Cole (PhD Modern History, 2006) saw the launch of his book ***Richard Wainwright, the Liberals and Liberal Democrats*** (<http://www.manchesteruniversitypress.co.uk/catalogue/book.asp?id=1204884>) at a meeting in the Jubilee Room at the Houses of Parliament on 15 June.

Daniel Finkelstein writing in *The Times* (23 June) described *Richard Wainwright, the Liberals and Liberal Democrats* as 'engrossing' and 'fascinating', saying 'reading Cole's book, I found Wainwright's life admirable and moving.'
