About

Anna Brennand is the CEO of Ironbridge Gorge Museum Trust, having spent a number of years as deputy CEO and Director of Finance and Resources for the Ironbridge Gorge Museum Trust, delivering the museum's commercial strategy and fundraising. Anna has considerable experience in finance as a qualified accountant and having worked in London for international money brokers before moving to the not for profit sector. Anna also provides the Institute with an insight into the Museums Association, through her role as a board member.
