The University's Edgbaston campus is set in 250 acres and has all the facilities of a busy town: shops, cafes, banks, mature trees, green areas, a monthly farmers market, walkways, onsite gym for staff and students, and much more. All these factors contribute to a campus with excellent facilities whilst retaining the peaceful atmosphere that makes it a wonderful spot for picnics and walking.

The School of Immunity and Infection is part of the College of Medical and Dental Sciences. The nearest car park for visitors is located on [Pritchatts Road](#) ([Documents/college-mds/immunity/UoB-map-showing-car-parks.pdf](#)).
