[Professor Mark Drayson \(/staff/profiles/iandi/drayson-mark.aspx\)](/staff/profiles/iandi/drayson-mark.aspx)

Professor Clinical Immunodiagnosics, Director Clinical Immunology Service, Honorary Consultant University Hospitals Birmingham and Heart of England

Mark has directed the CIS since 2000. The service provides a unique interface between the University's substantial scientific expertise in immunology and the clinical investigation and management of blood cancers, immunodeficiency and autoimmunity in the West Midlands. Providing 500,000 immunodiagnostic tests per year for a population of five million, the CIS is in an ideal position for ...
