Professor Lorraine Harper (/staff/profiles/iandi/harper-lorraine.aspx)

Professor of Nephrology

School of Immunity and Infection

Lorraine Harper is Professor of Nephrology.

Lorraine has published over 70 research papers in scientific journals as well as reviews and book chapters in the fields of inflammation and nephrology. She has received major grants from Kidney Research UK and the Medical Research Council.

She is a strong supporter of academic training ...

Dr Paul Harrison (/staff/profiles/iandi/harrison-paul.aspx)

Senior Lecturer

School of Immunity and Infection

Paul Harrison is the Healing Foundation Senior Lecturer within the School of Immunity and Infection at the University of Birmingham in the UK. He is a Past- President of the British Society of Haemostasis & Thrombosis (BSHT) and a Past-chairman of the International Society of Thrombosis and Haemostasis (ISTH) Platelet Physiology Scientific and standardization committee. He has ...

Professor Peter Hawkey (/staff/profiles/iandi/hawkey-peter.aspx)

Professor of Public Health and Clinical Bacteriology

School of Immunity and Infection

Peter has published over 200 research papers in the areas of molecular evolution and epidemiology of antibiotic resistance, *Clostridium difficile*, tuberculosis and molecular diagnostics for infectious diseases. He is a regular speaker at international conferences and advisory boards on these topic areas. Peter has edited two widely used clinical microbiology post graduate textbooks: ...

Professor Ian Henderson (/staff/profiles/iandi/henderson-ian.aspx)

Professor of Microbial Biology

School of Immunity and Infection

Ian Henderson is Professor of Microbial Biology in the College of Medical and Dental Sciences.

Ian has published over 70 articles in the fields of bacteriology, biochemistry and infection immunology. He has received major grants from the Medical Research Council and the Biotechnology and Biological Sciences Research Council.

Ian is ...

[Dr Gideon Hirschfield \(/staff/profiles/iandi/hirschfield-gideon.aspx\)](/staff/profiles/iandi/hirschfield-gideon.aspx)

Senior Lecturer/Honorary Consultant Hepatologist

School of Immunity and Infection

Gideon Hirschfield is a clinician and academic with a special interest in Hepatology, and in particular autoimmune liver disease. He is well published scientifically and clinically in his field having made important contributions to the understanding and clinical management of diseases such as primary biliary cirrhosis, primary sclerosing cholangitis and autoimmune hepatitis. He joined Birmingham ...

[Dr Colin Hutchinson \(/staff/profiles/iandi/hutchinson-colin.aspx\)](/staff/profiles/iandi/hutchinson-colin.aspx)

Senior Research Fellow and Honorary Consultant Nephrologist

School of Immunity and Infection

Colin Hutchinson is a Senior Research Fellow at the University of Birmingham based in the school of Immunity and Infection. Here he pursues his translational research interests in the fields of myeloma kidney and haemodialysis.

Additionally he holds an honorary Consultant Nephrologist post at the University Hospital Birmingham
