### [Dr Jennifer Marshall \(/staff/profiles/iandi/marshall-jennifer.aspx\)](/staff/profiles/iandi/marshall-jennifer.aspx)

Research Associate

School of Immunity and Infection

Jennifer Marshall is a post doctoral research fellow working in Dr Kai-Micheal Toellner's group in the School of Immunity and Infection.

She is currently investigating B cell immunosenescence and manipulation to provide better disease outcomes. Her previous post-doctoral work explored the role of different B cell subsets in antibody responses to bacterial antigens. ...

### [Dr Janet McDonagh \(/staff/profiles/iandi/mcdonagh-janet.aspx\)](/staff/profiles/iandi/mcdonagh-janet.aspx)

Senior Lecturer in Paediatric and Adolescent Rheumatology

School of Immunity and Infection

Janet McDonagh is Clinical Senior lecturer in Paediatric and Adolescent Rheumatology.

Janet has published 29 original research papers in scientific journals as well as 19 reviews and 11 book chapters in the fields of rheumatology and adolescent health care in other fields including diabetes, solid organ transplantation. She has received grants from Arthritis ...

### [Dr Helen McGettrick \(/staff/profiles/iandi/mcgettrick-helen.aspx\)](/staff/profiles/iandi/mcgettrick-helen.aspx)

Arthritis Research UK Career Development Fellow

School of Immunity and Infection

Helen McGettrick is an experimental biologist who specialises in developing multi-cellular in vitro models to examine the processes by which tissue resident cells influence leukocyte adhesion and migration during inflammation.

Helen's research focuses on leukocyte recruitment and stromal cell biology in health and disease, in which she has several publications. She ...

### [Professor Jane McKeating \(/staff/profiles/iandi/mckeating-jane.aspx\)](/staff/profiles/iandi/mckeating-jane.aspx)

Professor of Molecular Virology  
Deputy Head of School

School of Immunity and Infection

Jane McKeating is the Professor of Molecular Virology and Deputy Head of the School of Immunity and Infection.

She set up the HCV group at the Medical School in January 2005. The group occupies 3 adjoining labs on the 5th floor of the IBR, 2 cat 3 labs and have shared access to all of the facilities in the MRC Centre for Immune Regulation. The group is involved in a wide ...

### [Professor Tim Mitchell \(/staff/profiles/iandi/mitchell-tim.aspx\)](/staff/profiles/iandi/mitchell-tim.aspx)

Professor of Microbial Infection and Immunity  
Deputy Head of School  
Joint Microbiology Theme Lead SRMRC

School of Immunity and Infection

Tim Mitchell is professor of Microbial Infection and Immunity and Deputy Head of the School of Immunity and Infection.

Tim has published over 200 research papers in scientific journals as well as reviews and book chapters in the fields of microbial pathogenesis and immunity. He has received major grants from Wellcome Trust, European Union, Medical Research Council and PATH. He has ...

**[Dr Matthew Morgan \(/staff/profiles/iandi/morgan-matthew.aspx\)](/staff/profiles/iandi/morgan-matthew.aspx)**

Clinical Senior Lecturer in Renal Medicine

School of Immunity and Infection

Dr Morgan is a Clinical Senior Lecturer in Renal Medicine with an interest in the pathogenesis and treatment of inflammatory renal disease including anti-neutrophil cytoplasm antibody (ANCA) associated vasculitis. He is a member of the European Vasculitis Study Group (EUVAS - <http://www.vasculitis.org> (<http://www.vasculitis.org>)).

His main interests in ANCA associated vasculitis are in the role of ...
