

Basque language level 2

- **Credits** 20
- **Semester** 1 and 2
- **Codes** M213 09 18388
- **Status** Optional, but must have passed Beginners' Basque
- Not open to students already taking 3 languages
- **Teaching methods** 3 language classes per week

Description

The module uses the communicative functions methodological approach and provides a continuation of the Basque language and culture for those students who took Beginners' Basque.

Learning outcomes

By the end of the module the student should be able to:

- produce grammatically accurate short texts in Basque
- interact with speakers of Basque at a basic level while employing a variety of complex cases and tenses
- understand a range of basic written and oral texts in Basque
- understand a range of cases and the difference between them

Assessment

- Oral exam: 30%
- Coursework: 30%
- 3 hour exam: 40%
