About

Programme Lead and Admissions Tutor for Italian Studies; School Quality Officer.

Main research interests and areas of PG supervision: gender, sexuality and embodiment in modern and contemporary Italian culture.

Biography

I studied Combined Honours English and Modern Languages at Newnham College, Cambridge and for a Master of Studies in Modern Languages at Balliol College, Oxford before completing a PhD at the University of Warwick, under the supervision of Professor Ann Hallamore Caesar and Dr Jenny Burns.

Teaching

I am Director of Education, Admissions Tutor and Undergraduate Programme Lead for Italian Studies. I teach modules on society and identity, and theatre for Italian Studies. I teach seminars on gender, sexuality and cultural theory for the MRes in Cultural Inquiry and the MRes in Gender Studies, as well as supervising PhD students.

Postgraduate supervision

I am currently supervising several postgraduate students working on issues relating to gender and sexuality in Italian culture. I would be happy to hear from prospective doctoral candidates wishing to pursue research in this area, or on other aspects of twentieth-century and contemporary Italian culture and society.

Research

My research focuses on how bodies, gender and sexuality are understood, constructed and represented in socio-cultural contexts. I am particularly interested in elaborations of sexuality and identity, in cultural texts as well as in practices of social engagement and activism. I am currently working on an AHRC-funded project called *Eccentricity and Sameness: Lesbian Cultural Identity in Italy, 1870 to the present day*, which explores the discursive construction and representation of lesbian identities and desire in literature and film. For more information about this project, see my blog: <http://charlotterossresearch.wordpress.com/> (<http://charlotterossresearch.wordpress.com/>). In previous work, I have focussed on issues of embodiment; my book, *Narratives of Embodiment in the Work of Primo Levi: Containing the Human* (<http://www.routledge.com/books/details/9780415880411/>) (Routledge, 2011), analyses Levi's engagements with and representations of embodiment, from the imprisoned and abject body in the Lager to the posthuman technologized bodies of his science fiction writing. In 2008 I co-organized a conference entitled 'Gender and Sexuality Studies Italian Style', in Prato, Italy, which has led to a **special issue of the journal *Italian Studies*** (<http://www.ingentaconnect.com/content/maney/its/latest>) on gender and sexuality (July 2010). I am also co-editor (with Dr Daniele Albertazzi, Dr Clodagh Brook and Dr Nina Rothenberg) of *Resisting the Tide: Cultures of Opposition under Berlusconi 2001-06* (<http://www.continuumbooks.com/Books/detail.aspx?ReturnURL=/Search/default.aspx&CountryID=1&ImprintID=2&BookID=125748>) (Continuum, 2009).

Research groups

I am part of a university network of researchers with interests in **Gender and Sexuality** (<http://www.gender.bham.ac.uk>) Studies. I am also on the editorial committee of the online journal 'altrelettere': <http://www.altrelettere.uzh.ch/index.html> (<http://www.altrelettere.uzh.ch/index.html>). I am also part of the Editorial Committee of the series *Altera*. *Collana di Intercultura di Genere*, published by ETS Edizioni, Pisa: <http://www.facebook.com/events/140128649385003#!/altera.interculturadigenere?fref=ts> (<http://www.facebook.com/events/140128649385003#!/altera.interculturadigenere?fref=ts>)
