Posted on Monday 24th June 2013

The [Department of Modern Languages \(/schools/lcahm/departments/languages/index.aspx\)](/schools/lcahm/departments/languages/index.aspx) would like to congratulate its 2013 graduates on a sterling set of results: 83% of our finalists, across all our Modern Languages programmes (that's including those combining with Law, Economics, Business, etc) will be awarded a 2/1 or a First next month. 45 of them will be awarded a distinction in spoken language (for receiving 73% or above in an oral examination). Very well done to all, and we wish you all the best in your future careers.
