

India Workshop - International Symposium on Recent Trends in Industrial and Applied Mathematics

Posted on Wednesday 2nd November 2011

International Symposium on Recent Trends in Industrial and Applied Mathematics

3rd November - 8th November, IIT, Mumbai.

This is a 3 day workshop designed to highlight recent developments in applied mathematics. The workshop is open to all academics who wish to visit and will provide an excellent opportunity to interact with academics from UoB and IIT and discuss recent trends in mathematics.

A collaborative initiative by the University of Birmingham (UK) and IIT Bombay.

Organising Committee: Dr. Jamal Uddin (UoB), Dr. Jan-J. Ruckmann (UoB), Prof.f Amiya Pani (IIT) and Prof. Neela Nataraj (IIT).

Further details can be found by contacting Jamal Uddin at j.uddin@bham.ac.uk (<mailto:j.uddin@bham.ac.uk>)
