Visit us

We encourage applicants to visit the School whenever possible, to meet our staff and our talented group of postgraduates, and to find out more about postgraduate student life at the University of Birmingham.

Please contact the **Graduate School** (</schools/mathematics/postgraduate/graduate-school-contacts.aspx>) for more information about visits, including the **University Open Day** (</postgraduate/visit/pg-opensdays.aspx>).

If you can't visit the school, then perhaps this short video which was produced by our MSc student's will give you an impression of what it is like to study in Birmingham.
