

## Readership for Dr Athanasios Tsolakis

Posted on Thursday 5th April 2012

Congratulations to [Dr Athanasios Tsolakis \(/staff/profiles/mechanical/tsolakis-athanasios.aspx\)](/staff/profiles/mechanical/tsolakis-athanasios.aspx) on his promotion to the position of Reader in Thermodynamics. Dr Tsolakis' interests include: internal combustion engines, environmental catalysts and catalytic systems, fuel reforming for hydrogen production, combustion and emissions control, alternative fuels and emissions analysis.
