

Birmingham ranks high in Guardian league tables

Posted on Thursday 24th November 2011

Physics at the University of Birmingham has been ranked third in the UK in the Guardian's 2012 university league table. Student satisfaction, however, is better than top-placed Oxford University at 95%.

[See the Guardian league table for Physics \(http://www.guardian.co.uk/education/table/2011/may/17/university-guide-physics\)](http://www.guardian.co.uk/education/table/2011/may/17/university-guide-physics)
