The DR Elite Scholarship competition is now closed for 2013-14 entry.

UK students:

The School has a number of research studentships supported by EPSRC and STFC available each year including some CASE studentships. To be eligible for one of these 3½ year awards you must be a UK national and have preferably a First, or Upper Second Class degree from a UK University, or equivalent. Preference will usually be given to students holding four-year MPhys or MSci degrees.

EPSRC DTA Studentships (~ 5 available annually) typically announced in February.

EPSRC Studentships cover payment of living/maintenance allowance at ~ £13,957 per annum for 3½ years plus tuition fees of £3,925 per annum. Maintenance awards are paid monthly in advance.

EPSRC Studentships are available for research in the **Condensed Matter, Cold Atoms, Metamaterials, Molecular, Nanoscale, and Theoretical Physics Research Groups**.

STFC Studentships (~ 6 available annually) typically announced in February.

STFC Studentships cover payment of living/maintenance allowance at ~ £13,957 per annum for 3½ years, plus tuition fees of £3,925 per annum. Maintenance awards are paid monthly in advance.

STFC Studentships are available for research in the **Astrophysics and Space Research, Particle Physics, Asteroseismology, and Nuclear Physics Research Groups**.

UK and EU students:

EU nationals may be eligible for fees-only EPSRC/STFC awards which are sometimes supplemented by the School/Research Group.
