About the School of Psychology

The School of Psychology is one of the strongest and most active psychology departments in the country. We are a research-led psychology department with an international reputation for excellence in research and teaching.

Visit our profiles using categories. We have also produced a number of research and teaching profiles and you can find out more about the School of Psychology departments in the country.

The School of Psychology is a department in the College of Life and Environmental Sciences (CLES). You can follow CLES on Twitter: @UoBCLES and Facebook: www.facebook.com/UoBCLES

The School is located in the Psychology building (Hills) which is part of the Research Complex at the University's Edgbaston campus.
