Head of School

[Professor Kim Shapiro \(/schools/psychology/people/profile.aspx?Referenceld=46352&Name=professor-kim-shapiro\)](/schools/psychology/people/profile.aspx?Referenceld=46352&Name=professor-kim-shapiro)

Professor and Chair of Cognitive Neuroscience
Head of School

School of Psychology

Professor Shapiro in collaboration with other colleagues published the first paper on the 'attentional blink' phenomenon, which has attracted great interest on the part of many scientists. The original publication has been cited over 1000 times and approximately 500 reports on the same topic have followed from it. He employs a wide range of neuroscience approaches and tools in his ...
