

Heather Widdows at How the Light Gets In

Posted on Thursday 10th May 2012

Should we welcome the prospect of biotechnological 'improvements' to the human body? **Prof. Heather Widdows** (</staff/profiles/philosophy/widdows-heather.aspx>) will discuss 'The Perfect Human' at **How the Light Gets In** (<http://howthelightgetsin.org>), the philosophy and music festival at Hay-on-Wye, Sunday, June 10.
