We are delighted to hear that Silk's paper "What Moral Terms Mean and Why It Matters for Ethical Theory" has been accepted for presentation at Professor Mark Timmons' fifth annual normative ethics workshop. This year's workshop will be held 9-11 January at the Westward Look Resort in Tucson, Arizona. The keynote speakers of this prestigious event will be Philip Pettit, Tim Scanlon and Christine Swanton. Other notable speakers include Nomy Arpaly, Jesse Summers and Walter Sinnott-Armstrong, Antti Kauppinen, and Elizabeth Harman. The papers from this workshop will be published in Oxford University Press' Oxford Studies in Normative Ethics series. Congratulations Alex!
