

Birmingham Workshops in Philosophy Series

Each year the Philosophy Department runs a series of workshops. These are normally single-day events involving a talk before lunch and two after it. The series is kicked off this year with a two-day event involving six speakers. The workshops concern areas of philosophy to which Birmingham contributes world-leading research.

Each single-day event will have two Birmingham philosophers speaking along with an external speaker who is widely recognised for their work on the topic of the workshop. The events are free and everyone is welcome.

A small number of travel stipends are available for late-stage undergraduates and Masters-level students. If you want to apply for one, please email your CV to Scott Sturgeon (s.sturgeon@bham.ac.uk (<mailto:s.sturgeon@bham.ac.uk>)) at least three weeks before the workshop in question.
