

Video: Richard Castanheira, MSc Healthcare Leadership and Management

MSc Healthcare Leadership and Management

I studied Healthcare Leadership and Management as a Masters here at HSMC. I think that studying at HSMC gave me a really good theoretical base on which to understand the NHS and the wider health economy, and that has really put me in good stead, because it allowed me to fit what I was seeing on a day to day basis both in hospitals and in commissioning in PCTs, into a wider framework."
