

New edition of book considers impact of modernisation agenda on mental health services

Posted on Wednesday 26th May 2010

A new edition of Mental health policy and practice, co-authored by HSMC's Professor Jon Glasby and practitioner Dr Helen Lester, has been published by Palgrave Macmillan. While retaining its comprehensive overview of recent mental health policy and examples of successful evidence-based practice, this revised edition also includes an analysis of the impact of the modernization agenda on mental health services.
