

## Help us to celebrate HSMC's 40th Anniversary in 2012

Posted on Tuesday 13th December 2011

### Calling all HSMC ex-staff and alumni!

We would like to invite you to share your memories with us from your time at Park House. So, if you have any specific memories or photographs that you would be happy for us to publish either on our website or in one of our 40th anniversary newsletters, then **please send them to Susan Alleyne, [s.e.alleyne@bham.ac.uk](mailto:s.e.alleyne@bham.ac.uk)** (<mailto:s.e.alleyne@bham.ac.uk>).

### How HSMC plans to celebrate during the 40th Anniversary year

**Professor Jon Glasby** (</staff/profiles/social-policy/glasby-jon.aspx>) says the year 2012 marks the 40th anniversary of the birth of HSMC. To mark this important landmark in HSMC's history, we plan to hold a number of events, including a celebratory summer BBQ, produce several publications including a mini booklet and two themed newsletters and host a mini exhibition that summarises the history of HSMC and Park House.

The anniversary year will be launched with the HSMC annual policy lecture delivered by Sir David Nicholson in the spring, in which we will be reflecting on how the NHS has changed over the last 40 years and exploring where we may be headed in future.
