

Mental Health Alliance

Posted on Friday 29th June 2012

</Documents/college-social-sciences/social-policy/HSMC/publications/2012/mental-health-alliance.pdf>

Health Services Management Centre is one of the founder members of a new partnership that has been created to support local health and social care commissioners of mental health services. The Mental Health Alliance brings together the skills and expertise of HSMC, Mental Health Strategies, Contact Consulting and the Centre of Mental Health, in order to support commissioners on a long-term basis to develop their capacity and skills.
