

Continuing Professional Development

This section of the site has been designed to assist your CPD in the area of clinical education.

Don't forget, that as well as our online resources and University-based training days, we also run courses or in-service training within your workplace setting. Please contact the Clinical Tutor for your area to enquire about this service.

We have also included some information regarding [postgraduate opportunities \(/schools/sport-exercise/clinicalphysio/CPD/opportunities.aspx\)](/schools/sport-exercise/clinicalphysio/CPD/opportunities.aspx) within the School of Sport, Exercise and Rehabilitation Sciences.
