About

PhD Title: Muscle Afferent Contributions to Cardiorespiratory Control in Humans

Supervisor: Dr Michael White

Qualifications

- MSc Human and Applied Physiology (Kings College London)
- BSc Sport and Exercise Sciences (University of Birmingham)

Research

Research Group: Cardiovascular and Respiratory Physiology

Research interests: The control of the respiratory and cardiovascular systems in humans

Publications

Bruce, R.M. and White M. J. (2011) Muscle afferent activation causes ventilatory and cardiovascular responses during concurrent hypercapnia in humans. *Exp. Physiol.* (In Press; Published online).
