About

PhD Title: Examining decision making processes of novice to elite hockey coaches using virtual scenario testing

Supervisors: Dr Mathew Bridge and Dr Mark Griffiths

Qualifications

BSC in Sports Coaching Science (University Of Worcester)

Biography

After leaving the Royal Air Force Sherry studied a BSC in Sports Coaching Science at the University of Worcester. While studying she worked as a performance analyst and hockey coach for the university ladies teams. After completing her BSC she immediately started her PHD study and continues to work with the development of players and coaches in hockey clubs.

Research

Research group: Sport Coaching and pedagogy
