Qualifications

BSc (Hons) - Leicester
PhD - Birmingham
Chartered Public Finance Accountant

Biography

Dan undertook his professional training with the National Audit Office. During this time he worked on value for money audits of UK central government departments. After qualifying he moved to work in local government undertaking a variety of financial reporting and management accounting roles. He then moved into a training role providing professional training for CIPFA, ACCA and CIMA. He completed his PhD on the financial accountability processes in UK local authorities in 2005.

Prior to joining the University Dan was Head of Department of Accounting, Finance and Economics at Oxford Brookes University.

Teaching

Advanced Management Accounting

Research

- Public sector financial accountability mechanisms
- Uses of open data by business and government

Other activities

External examiner ESC Rennes School of Business and SOAS University of London
