About

Giles Perryer is the Academic lead for e-learning at the College of Medical and Dental Sciences. He teaches clinical dentistry in the Clinical Practice and Conservative Dentistry Units at the School of Dentistry.

Qualifications

- DGDP(UK) 1992.
- BDS 1982.

Biography

Giles Perryer became a full-time member of staff at the School of Dentistry in 2010 after many years as a part-time lecturer and Dental Practice Principal.

He created the School of Dentistry's e-learning platform, the ecourse and directs its development.

In 2007 he received the "DDU Teacher Of The Year" award, and led the team which won the Times Higher Award for "The Outstanding ICT Initiative Of The Year".

He has previous experience as a Clinical Audit Facilitator, DF1 Trainer, and West Midlands Deanery postgraduate tutor.
