School of Education
University of Birmingham
Edgbaston, Birmingham
B15 2TT, United Kingdom

About

Dr. Qiu joined the Jubilee Centre for Character and Values at the end of 2013. She is working across the Centre bringing her expertise in quantitative data analysis to the team. She previously worked for Higher Education Equity and Access (CHEEA), following working at the Centre for Research in Medical and Dental Education (CRMDE).

Dr Qiu is an applied economist and her main research interests are in the areas of economics of education, labour economics, health economics, and economics of happiness. She received her Ph.D. in economics from the University of Bath on May 2008. Before joining CRMDE, she worked at the National Centre for e-Social Science, a multidisciplinary research centre at the University of Manchester.

Qualifications

- Ph.D. (Bath)
- MBA (Coventry)

Teaching

BFA module (How to Earn, Learn and Be Happy): Economics of Education

Postgraduate supervision

Ph.D (joint) supervision:
