About

Madeleine is a veterinary surgeon who is a specialist in Equine Reproduction, and the Wellcome Trust Clinical Research Fellow at the Royal Veterinary College. She is currently researching the ethics of assisted reproductive techniques in non-human mammals, and one of her Supervisors is [Professor Marie Fox \(/staff/profiles/law/fox-marie.aspx\)](/staff/profiles/law/fox-marie.aspx).

Qualifications

- BVetMed (Hons), Royal Veterinary College
- MA (Oxon) (Modern History and Economics)
- MA (Keele) (Medical Ethics and Law)
- PhD (London)
- DipECAR
- RCVS and European Recognised Specialist in Equine Reproduction

Biography

Madeleine's research interests are in the ethics of assisted reproductive technologies in non-human mammals and the ethics of the use of animals in sport. Madeleine was a member of the Royal College of Veterinary Surgeon's working group which recently undertook an ethical review of practice-based research, is Chair of the British Veterinary Association's Ethics and Welfare Group, and is a Past-President of the British Equine Veterinary Association.

Research

Ethics of assisted reproductive techniques in non-human mammals: Ethics of the use of animals in sport
