About

Following training at Aston and Aberdeen Universities Professor Pratt spent a period of time in the USA working on gait analysis and management of foot problems.

Professor Pratt now runs the gait analysis facility in Birmingham and sees about 300 patients a year with complex walking disorders - planning their treatment (surgical, orthotic, therapeutic or pharmaceutical)

Qualifications

Professional Memberships

CPhys, MInstP, CSci, MIPEM, ARCP

Research

Experience and Expertise

Gait analysis, lower limb orthoses, orthopaedic biomechanics
