About

Kimberly Quinn is a social-cognitive psychologist with interests in face processing (e.g., social categorisation, emotion recognition), self–other representation (e.g., behavioural synchrony), and moral judgement (e.g., moral certainty).

More information may be found at her personal webpage: <http://www.kimberlyquinn.net/> (<http://www.kimberlyquinn.net/>).

Qualifications

- BA (McGill University)
- MA (Western Ontario)
- PhD (Western Ontario)

Biography

Dr Quinn hails from small-town Canada. She completed her undergraduate degree at McGill University and her postgraduate degrees at the University of Western Ontario, followed by postdoctoral training at Northwestern University and Dartmouth College. She has been at the University of Birmingham since July 2004.

Research

Research group

- Developmental, Social and Applied (Subgroup: [Social Cognition and Neuroscience \(/research/activity/psychology/scone/index.aspx\)](/research/activity/psychology/scone/index.aspx))

Dr Quinn is an experimental social psychologist with a wide range of research interests. Currently, her research emphasizes three topics: face processing and social categorisation; behavioural synchrony and self–other representation; moral judgement.

Research funding

Dr Quinn's research is currently funded by the Economic and Social Research Council (ESRC) and the Leverhulme Trust.

- 2012–2015: *Toward a Theoretical Model of Behavioural Synchrony*. Standard Grant, Economic and Social Research Council (Amount: £478,137) (Principal Investigator, with J. T. Cacioppo, University of Chicago).
- 2012–2014: *Witnessing Virtue versus Vice: Comparing Moral Condemnation and Moral Praise*. Research Project Grant, Leverhulme Trust (Amount: £78,297).

Other activities

Dr Quinn is a member of the [Social Cognition and Neuroscience \(SCoNe\) \(/research/activity/psychology/scone/index.aspx\)](/research/activity/psychology/scone/index.aspx) group in the School of Psychology.

She also belongs to the following professional societies:

- [International Social Cognition Network \(http://psychology.ucdavis.edu/labs/sherman/iscon/index.html\)](http://psychology.ucdavis.edu/labs/sherman/iscon/index.html)
- [European Social Cognition Network \(http://www.social-cognition.org/\)](http://www.social-cognition.org/)
- [Society for Personality and Social Psychology \(http://www.spsp.org/\)](http://www.spsp.org/)
- [European Association for Social Psychology \(http://www.easp.eu/\)](http://www.easp.eu/)
- [Social Psychology Network \(http://www.socialpsychology.org/\)](http://www.socialpsychology.org/)
- [Experimental Psychology Society \(http://www.eps.ac.uk/\)](http://www.eps.ac.uk/)
