Angus is a Senior Research Fellow in the School of Social Policy, University of Birmingham.

Qualifications

- CQSW
- MSc
- BA

Biography

has a background in community development work both in inner city and settings on peripheral estates. His research interests include urban regeneration, health and crime as well as community based education. In 2000-2001, he was seconded as a Policy Adviser to the Active Community Unit (Home Office), working on the Learning and Development Strategy for Neighbourhood Renewal. Until 2006 he was Knowledge Manager for the National Evaluation of the Children's Fund and evaluator with the Centre of Excellence in Interdisciplinary Mental Health. He is currently seconded to the Third Sector Research Centre at the University of Birmingham and leading on the 'below the radar' work stream which is researching the experiences of small community based groups and activities. For more information on current work please visit the **[Third Sector Research Centre website \(http://www.tsrc.ac.uk\)](http://www.tsrc.ac.uk)**.

He is a Board Member of the International Community Development Journal, an Associate of the Federation for Community Development Learning and has been involved in training and development work with non-governmental organisations in Eastern Europe and the Commonwealth of Independent States (CIS).

Teaching

Community Development, Community Organisations, Voluntary Sector Management, Partnerships, Participatory Evaluation and Substance Use.

Research

Non Governmental Organisations, Community Participation, Neighbourhood Regeneration, Mental Health, Substance Use and Anti-Poverty Strategies.
