

Libraries

All members of staff have access to our wide range of library facilities, comprising more than 10 libraries and resource centres. These contain a total of over two and a half million books and three million archives and manuscripts. These include the following -

- Barber Music Library
- Barnes Library (Medical School)
- Education Library
- Harding Law Library
- Main Library
- Orchard Learning Resource Centre (Selly Oak campus)
- Ronald Cohen Dental Library
- Shakespeare Institute Library (in Stratford-upon-Avon)

Further information about the facilities on offer in each of these libraries can be found at the libraries section of the website which also grants access to a comprehensive catalogue of the books we hold.
