

Look Deeper

Bring your prospectus to life

Take a closer look at our 2013 prospectus. Our Look Deeper app uses augmented reality to bring our campus, students and lecturers to life - giving you a taste of at life at Birmingham.

If you've got an iOS device (Android version coming soon):

1. Download our free **Look Deeper** app for **iPhone** (<http://itunes.apple.com/gb/app/look-deeper/id501354867?mt=8>) or **iPad** (<http://itunes.apple.com/gb/app/look-deeper/id501354867?mt=8>) from the App store;
2. Scan over the image wherever you see the icon;
3. Hear our students talk about life at the University of Birmingham - try it on the cover and watch our campus come to life.
