

## Accommodation Open Day

Our next Accommodation Open Day is Saturday 25th April 2015

Our Open Days are a great chance for students arriving in September 2015 to take a look at all our undergraduate accommodation.

You can have a look around all the fantastic facilities at our student villages and third party accommodation providers and you can even talk to students who are living there to get a real sense of life at university.

If you've put the University of Birmingham as your first choice with UCAS, you'll automatically receive an invitation to our Open Day.

If after visiting the Accommodation Open Day and viewing all of our accommodation, you would like to change your preferences, you can do this by logging back into your online application and simply rearrange or add to your original choices. Please note you can change your preferences at anytime before the application deadline without impacting the allocation process.

### What's on offer

There will be a free coach service running at regular intervals to all our accommodation sites from **Pritchatts Park Village** (</undergraduate/accommodation/halls/pritchatts.aspx>) from 10.00am - 3.00pm. If you want to take a look at all the accommodation, make sure you arrive early.

All **student villages** (</undergraduate/accommodation/halls/index.aspx>) will have a least one flat in each residence open for full viewing. And there'll be staff and student ambassadors on hand to give you more info on residence fees and amenities.

**There is no need to book: just come along on the day.**

### Starting point

We recommend that you start your day at **Pritchatts Park Village, Pritchatts Road** (</undergraduate/accommodation/halls/pritchatts.aspx>) and from there we have a coach service to take you to the other villages.
