

Meal Plan

Meal Plan is a convenient way to 'eat with us' at The Vale Village and all across campus, giving you a flexible weekly budget for your meals that's tailored to your University schedule. It's a great way for you to socialise and helps to free up time for studying – you don't need to worry about food shopping, meal planning and cooking.

If you opt for Meal Plan, your Student ID card will be credited with £50 a week to spend on your meals. The balance runs from Monday to Sunday and gets refreshed every Monday when you use your card through a till either in the Hub or on the main campus.

There's a great choice of restaurants and coffee shops at the Vale Village; Infusion for a wide range of fresh and healthy food, The Melt for sandwiches, paninis, cakes and coffees, the Pizza Shack and Hungry Duck for late night and evening cravings serving pizzas to rival Dominos and Gourmet hotdogs to satisfy your tastebuds. Our chefs have worked in the catering industry for many years and have a real passion to deliver the highest quality food. The University's sustainability policy also means we aim to use British farmed goods and carefully selected suppliers. We have held Fairtrade status for over 10 years and all tea and coffee served supports fair trade. We are also proud to have been awarded the Good Egg award which means that we only work with suppliers who use free range eggs.

The Meal Plan is a flexible dining experience which means you can use your allowance both at the accommodation catering outlets mentioned above, and on the many campus outlets, including Starbucks and Costa where you can unwind with a hot drink and pastry chatting to friends or catching up with work on one of the computer clusters on offer at Costa! Please see the [list of all catering outlets on campus \(/community/university-campus/retail/food-and-drink-on-campus.aspx\)](#) for a variety of food choices for you to enjoy, to take away or dine in with friends.

Please note the Meal Plan card is not accepted at Costcutter, the convenience store located at the Vale Village and the University bars.

What different diets can you cater for?

We can cater for all diets such as vegetarian, gluten free, halal, and kosher. If there is a specific diet that you need within InFusion in Shackleton Hub, just let a catering manager know when you arrive and they will help as much as possible. We can not cater for high allergen diets such as nut free, as all of our food is prepared in kitchens where these items are present and so we cannot 100% guarantee food is free from nuts.

How do you get Meal Plan when you arrive at the Vale?

Students' University ID cards hold Meal Plan money and will automatically be made "live" on the first day of meal plan.

The system does not currently have this facility; however, it is a service we hope to install in the very near future.

Can Meal Plan money be carried over into the next week?

If all or part of the weekly allowance is not spent by the end of each week this cannot be carried over as credit to the following week. With so many outlets available for meal plan cards, students find they are able to budget their meal plan money to fit into their week.

How do you find out how much Meal Plan credit you have left?

Current Meal Plan balances are accessible at any till by presenting the University ID Card to the card reader. The remaining balance for that week will be displayed on the customer information screen or related back by the till operator.

Can students opt out of Meal Plan during the year?

As the accommodation and Meal Plan packages are provided together, under the terms and conditions of the accommodation contract, they cannot be separated - therefore a student would be unable to stay in the same accommodation.

Can you lend your Meal Plan card to a friend?

You cannot loan out a University ID card, these cards contain a digital image and are for the owners use only. Students are strongly advised to keep their University ID card with them at all times.
