Coming to Birmingham to study might be your first time living away from home. Our student accommodation will allow you to enjoy your new-found independence in safe, welcoming and sociable surroundings.

In each village there is accommodation offering a self-catered option. At the Vale students are also able to take advantage of the **Meal Plan** (</undergraduate/accommodation/Living-with-us/mealplan.aspx>). If you opt for Meal Plan accommodation, you will have a weekly allowance for meals during term time at any of the Universities catering outlets.

Please view each village's section for further details about the accommodation types, contract lengths and accommodation fees, and also the summary pdf document link on the right. We support students with disabilities and accessibility info for each hall is available on the **Disabled Go University of Birmingham accommodation pages** (<http://www.disabledgo.com/en/org-results/university-of-birmingham/uni-accommodation>) - and from each specific halls page below.

Also see the **fees and funding page** (</students/fees/index.aspx>) for more information on managing your finances at University.
