

Discovery Days

Our programme of Year 10 Discovery Days provide a great opportunity for schools and colleges to bring students to a Russell Group university and get a taste of what studying here is all about.

These events will give students the chance to experience several different subjects in a day, explore our campus and meet some of our current students.

The events taking place in 2015 are listed below.

Year 10 Discovery Days

Arts, Humanities, Law and Social Sciences - Wednesday 17 June 2015

Engineering and Physical Sciences - Tuesday 23 June 2015

Life and Environmental Sciences - Thursday 18 June 2015

Bookings for these events open in early February.
