

Playing music

Whether you want to sing, play or both, there is a wide variety of musical groups, societies and ensembles around campus. Some of our musical groups require an audition while others are more informal; some are solely open to students, others are a mixture of students and staff, but they all share one thing – a passion for performing music.

Choirs

- Birmingham University Singers (chamber choir, up to 30 people)
- Chamber Choir (up to 50 people)
- University Choir (approximately 200 people)
