

Italian

Module information for incoming Erasmus and Exchange students interested in modules in **Italian Studies** (<http://www.birmingham.ac.uk/schools/lcahm/departments/italian/index.aspx>):

For a list of Italian Studies options that are usually offered, and available to exchange students, if of an appropriate level, **please see the details here** ([/schools/lcahm/departments/italian/undergraduate/index.aspx](http://www.birmingham.ac.uk/schools/lcahm/departments/italian/undergraduate/index.aspx)).

It is important to note that while students may express their preferences, we cannot guarantee acceptance on to any particular module. Most non-language courses will require a knowledge of Italian. Not all courses run every year.

When modules are linked, students on year-long placement will normally be expected to register for both modules.
