

Managing Health & Social Care

Institute of Applied Social Studies, School of Social Policy

College of Social Sciences

Details

Code 23489

Level of study Second Year

Credit value 20

Semester Autumn or Spring

Module description

Semester 1 provides students with an understanding of the process of social policy implementation by statutory and voluntary sectors with respect to health and social care.

Semester 2 provides students with an alternative focus on policy implementation by addressing the role of, and issues faced by, organisations operating in the 'non-profit' area.
