

## Get involved

Enrolling as a student with the University of Birmingham is the beginning of a valuable lifelong relationship.

Your connection with the University might have started as a student but there is a whole range of ways to stay involved with Birmingham after graduation; from simply giving us your feedback to helping current students define which speciality they would like to pursue once they graduate.

### Tell your story

[Open all sections](#)

- Provide us with a [career profile \(/university/colleges/eps/eps-community/Get-involved/Share-your-career-profile.aspx\)](#)
- Share a recent [class note \(/university/colleges/eps/eps-community/Get-involved/Tell-us-your-story.aspx\)](#)
- **Feature in our newsletters** (<mailto:eps-community@contacts.bham.ac.uk>), on the website or in *Old Joe*, the alumni magazine
- **Send us** (<mailto:eps-community@contacts.bham.ac.uk>) your memories and photos

### Give your time & expertise

- **Become a mentor or sector specialist**
- **Speak** at careers events
- Assist our student societies
- Support our careers fairs, open days or applicant visit days
- Organise a class reunion

### Share your network

- **Join the EPS LinkedIn Community** (<http://www.tinyurl.com/epslinkedin>)
- **Introduce us** (<mailto:k.a.chedgzoy@bham.ac.uk>) to your organisation
- Offer **internships and job opportunities** to our students and recent graduates
- Become a Birmingham champion - share our success stories with your colleagues

### Donate

**Circles of Influence** ([/alumni/giving/index.aspx](#)), the University's innovative fundraising campaign is entering its next phase. With your support we can reach our ambitious new combined target for phase two of the campaign, £160 million, and change lives at Birmingham and across the world.

#### **Our projects:** ([/alumni/giving/Ourprojects.aspx](#))

- Developing a campus for the 21st Century
- Finding solutions to global health and lifestyle crises
- Improving children's lives
- Supporting the brightest children
- Attracting and retaining outstanding academics
- **Enabling innovation** ([/alumni/giving/innovation.aspx](#))
