Please provide a short paragraph detailing your career experiences since graduating from the University of Birmingham. How have you got where you are today, from your student days? *

What is the best thing about what you are doing now?

What was the best thing about your time as a student here?

In what way did living and studying in Birmingham live up to your expectations?

How did you grow as a person by coming to University? Did it change your life in any way?

What advice would you give to current students studying on your degree programme?

And finally...

Is there anything else you would like to share?
