Behind the Lens: Lecture Capture in Focus - with Karl Nightingale

Lecture capture is becoming more and more popular among Higher Education institutions, and is an invaluable tool for enhancing Distance and Blended Learning programmes. But what is the best way to use it, and what is the direct benefit to students, if any? Come and join the debate!

Register your interest in attending one of our training events...

Registration is not required to attend our training events, however we would appreciate if you could take the time to complete the form below.

*Required

Name *

Email address *

Telephone number

Which event would you like to attend? *

If you would like to attend more than one event, please complete this form multiple times
