### Prem Kumar presents - Straight from the Course's Mouth - Discussion Boards in WebCT

The "Discussions" tool in WebCT can easily be overlooked, but used properly it can provide both a platform for productive student-tutor engagement, as well as somewhere for students to share their thoughts and ideas with each other as they progress through the course.

Come and join in as we discuss why a problem shared is a problem solved!

## Register your interest in attending one of our training events...

Registration is not required to attend our training events, however we would appreciate if you could take the time to complete the form below.

**\*Required**

**Name \***

**Email address \***

**Telephone number**

**Which event would you like to attend? \***

If you would like to attend more than one event, please complete this form multiple times
