Date(s)	Friday 19th August 2011 (17:30-21:00)
Download	Add to Calendar (/university/colleges/mds/events/innovative-healthcare-meeting.aspx?ical=true)

Drugs, Diagnostics and Delivery: pharmaceutical discovery through partnership

Wednesday 19 September from 5:30-9 pm at the Birmingham Hippodrome.

This inclusive event gives participants the opportunity to discuss the latest developments in the pharmaceutical industry and to build new connections at a time when open innovation, out-sourcing and partnership are increasing vital.
