

[Birmingham and Nottingham projects to strengthen UK-Rio research links \(/university/colleges/mds/news/2014/11/faperj-funding.aspx\)](#)

The University of Birmingham and the University of Nottingham have strengthened their collaborations with Brazilian institutions in the state of Rio de Janeiro after securing funding for a number of country-specific research projects. The Rio de Janeiro State Funding Agency (FAPERJ) has allocated £100,000 for nine research projects in 2014/2015, with the amount matched by combined funding from the Universities of Birmingham and Nottingham.
